

# Reflections on Big Spring

A History of Pittsford, NY and The Genesee River Valley

By David McNellis

## About the Book

“Reflections on Big Spring” is a thoughtfully researched, highly readable celebration of the rich heritage of the Genesee River Valley, Pittsford, NY and the Big Spring that first drew generations of Americans to the area. Follow the lives of local war heroes, inspirational politicians, humanitarians, bold inventors and revolutionary entrepreneurs. Their influence has been substantial not just locally but throughout the state, the country and the world.

## About the Author

David McNellis was born in Detroit, Michigan to Canadian parents. He graduated from Pittsford Central School in 1962. While a resident in the 1960's, he was captivated by a wide range of historical anecdotes told by teachers, merchants, farmers, barbers and bartenders. These early formative experiences prompted him to study the area's fascinating history and ultimately share his discoveries in this book. He lives in San Carlos, CA with his wife Erica.
